

Subject: Sema:th Terminal Fishery Notice

Hi Everyone,

Apologies for the late communications. This email is to provide an update on terminal fisheries in the Lower Fraser Area, specifically the Sema:th terminal fishery. The fishery will proceed similar to last year, as follows:

- 3 days a week 6pm Thursday to 12 pm Sunday afternoon starting July 1st - 31st
- Up to 4 Gillnets, 8" mesh fishery to target Chinook
- Non-retention of sockeye, sturgeon
- Select participation is provided by the community
- Location: Vedder river downstream of Keith Wilson Bridge to the confluence of the Sumas River into the Fraser River.
- Monitoring will be in place through the duration of the fishery and provided to DFO after each opening.
- Updates and fisheries planning are scheduled on a weekly basis.

If folks don't wish to be part of these emails, please let me know and I will remove you from the distribution.

Thank you,

Brandon Wood
