ANNUAL VIRTUAL AUCTION

Please be advised our annual auction commences November 15th and is open until November 30th. Details are below.

Your past and continued support is greatly appreciated as this is the BCFDF primary fundraiser. As all can appreciate the challenges facing our fish stocks and angling opportunities have not diminished which demonstrates that our province wide initiatives benefiting fish and fishers are crucial.

Special thanks to all our generous donors and the effort of our directors securing donations. We are fortunate in recruiting some young directors who bring renewed enthusiasm and will be the future of our federation.

Please share the links below with your friends. We believe our auction has a variety of items suitable for all and may assist in Christmas giving.
